

CANADIAN SOCIETY OF INTESTINAL RESEARCH

Vancouver, B.C.

FINANCIAL STATEMENTS

March 31, 2016

REVIEW ENGAGEMENT REPORT

To the Directors of Canadian Society of Intestinal Research:

We have reviewed the balance sheet of Canadian Society of Intestinal Research as at March 31, 2016 and the statements of revenues and expenditures, changes in fund balance and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the Society.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for not-for-profit organizations.

Other Matters

The financial statements of Canadian Society of Intestinal Research as at and for the year ended March 31, 2015 were reviewed by other accountants, who expressed an unqualified conclusion on those statements in their report dated July 20, 2015.

CANADIAN SOCIETY OF INTESTINAL RESEARCH

Schedule of Support Services and Outreach Expenditures

(unaudited)

For the year ended March 31, 2016

The Canadian Society of Intestinal Research (the "Society") is a not-for-profit organization without share capital incorporated under the laws of British Columbia in 1976. The Society is a registered charity under the *Income Tax Act (Canada)* and is exempt from income taxes.

The Society provides information to patients, the public and medical professionals on gastrointestinal ("GI") diseases and disorders. The Society raises funds to support ongoing research in the GI field and issues grants to researchers at the University of British Columbia and its teaching hospitals, when funding permits.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Cash and Cash Equivalents

Cash and cash equivalents includes cash on deposit and short-term, highly liquid investments that are readily convertible to cash and subject to insignificant risk of changes in value.

Property and Equipment

Property and equipment are carried at cost less accumulated amortization. Amortization is calculated annually as follows:

Computer equipment	- 30% declining balance
Computer software	- 100% declining balance
Office furniture	- 20% declining balance

except in the year of acquisition, at which time amortization is provided for at one-half the annual rate.

Revenue Recognition

The Society follows the deferral method of accounting for contributions, which includes donations and government grants. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are deferred and recognized as revenue in the year in which the related expenses are recognized. Bequests are recognized when received given the considerable uncertainty surrounding both the timing of the receipt and the amount that will actually be received. Donation pledges are not recorded since they are not legally enforceable claims. Event fees are recognized as revenue when the event is held. Ticket and raffle sales revenue is recognized at the point of sale. CSIR Endowment Fund and Monkhouse Trust investment income is recognized when received. Investment income on cash equivalents is recognized when earned.

The accompanying notes are an integral part of these financial statements.

CANADIAN SOCIETY OF INTESTINAL RESEARCH

Schedule of Support Services and Outreach Expenditures

(unaudited)

For the year ended March 31, 2016

Contributed Services

Contributed services from the efforts of volunteer workers are not recorded in the financial statements as no objective basis is available to measure the estimated fair value of services. However, a few volunteers have donated time to the Society.

Financial Instruments

Measurement of financial instruments

The Society measures its financial assets and financial liabilities at fair value at the acquisition date. Transaction costs related to the acquisition of financial instruments subsequently measured at fair value are recognized in excess or deficiency of revenues over expenditures when incurred. The carrying amounts of financial instruments not subsequently measured at fair value are adjusted by the amount of transaction costs directly attributable to the acquisition of the instrument.

The Society subsequently measures all of its financial assets and financial liabilities at amortized cost.

Impairment

Financial assets measured at amortized cost are assessed for indications of impairment at the end of each reporting period. When impairment is identified, the amount of the write-down is recognized as an impairment loss in excess or deficiency of revenues over expenditures. Previously recognized impairment losses are reversed when the extent of the impairment decreases, provided that the adjusted carrying amount is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess or deficiency of revenues over expenditures.

Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

2. CANADIAN SOCIETY OF INTESTINAL RESEARCH ENDOWMENT FUND

The Canadian Society of Intestinal Research Endowment Fund was established by the Society with a contribution of \$45,000 to the Vancouver Foundation in June 1992. Income is distributed periodically to the Society, while the capital of the Endowment Fund rests permanently with the Vancouver Foundation.

As at March 31, 2016, the market value of this endowment fund is \$60,982.

The accompanying notes are an integral part of these financial statements.

CANADIAN SOCIETY OF INTESTINAL RESEARCH

Schedule of Support Services and Outreach Expenditures

(unaudited)

For the year ended March 31, 2016

3. THE TED AND MAE MONKHOUSE TRUST

The Ted and Mae Monkhouse Trust was established directly by a donor with a contribution of \$887,462 to the Vancouver Foundation in December 2005. Income from the Trust, all of which is to be paid to the Society in perpetuity, is distributed periodically to the Society for use in British Columbia.

4. DEFERRED REVENUE CONTRIBUTIONS

Deferred revenue contributions represent unspent externally restricted provincial government funding received under the Community Gaming Grant. The change in the deferred revenue contributions balance was as follows:

	2016	2015
	\$	\$
Balance, beginning	42,891	38,000
Grant received during the year	38,000	38,000
Recognized as revenue	<u>(42,891)</u>	<u>(33,109)</u>
Balance, ending	<u>38,000</u>	<u>42,891</u>

Deferred revenue contributions are to be used for support services and outreach expenditures.

5. FINANCIAL INSTRUMENTS

Items that meet the definition of a financial instrument include cash and cash equivalents, receivables (excluding GST), and payables and accruals. It is management's opinion that the Society is not exposed to significant liquidity risk, credit risk or market risk (including currency risk, interest rate risk and other price risk) arising from its financial instruments.

6. RELATED PARTY AND RELATED PARTY TRANSACTIONS

The Society is subject to significant influence by the GI (Gastrointestinal) Society / Société GI (Gastro-intestinale) (the "GI Society") as a result of having certain management and directors in common. The GI Society provides information to patients, the public and medical professionals on gastrointestinal diseases and disorders. The GI Society raises funds to support ongoing research in the gastrointestinal field and issues grants to researchers in Canada, when funding permits. The purposes of the Society and the GI Society are generally the same except that the GI Society has a broader, Canada-wide scope for research granting. The GI Society is a not-for-profit organization without share capital incorporated under the laws of Canada and is a registered charity under the *Income Tax Act (Canada)*.

During the year, the Society recorded personnel expenditures of \$43,514 (2015: \$64,100) for amounts paid to the GI Society.

The accompanying notes are an integral part of these financial statements.

CANADIAN SOCIETY OF INTESTINAL RESEARCH

Schedule of Support Services and Outreach Expenditures

(unaudited)

For the year ended March 31, 2016

7. COMMITMENTS

During 2014, the Society and GI Society jointly entered into an agreement to lease space for their shared premises, expiring in March 2019. The annual base rent, exclusive of operating costs, is as follows:

	\$
2017	19,019
2018	20,482
2019	<u>20,482</u>
	<u>59,983</u>

The Society and GI Society had agreed that GI Society will be responsible for 90% of the total occupancy costs. On April 1, 2015, it was agreed that the Society would pay its share of the occupancy costs directly.

8. COMPARATIVE FIGURES

In prior years, 'Deferred revenue contributions' was presented under 'Current liabilities' on the Balance Sheet and under 'Changes in non-cash working capital' on the Statement of Cash Flows. In 2016, 'Deferred revenue contributions' has been presented between 'Liabilities' and 'Fund Balance' on the Balance Sheet and before 'Changes in non-cash working capital' on the Statement of Cash Flows. The comparative amounts have been revised to conform to the current year's presentation.

The accompanying notes are an integral part of these financial statements.
