

Inflammatory Bowel Disease Support Group

**Third Wednesday of each month
7:00pm**

Raven Song Community Health Centre
Room 101, 2450 Ontario St, Vancouver, BC

This Gastrointestinal Society support group offers individuals living with inflammatory bowel disease (Crohn's disease or ulcerative colitis) and their loved ones an opportunity to exchange information and share their experiences and coping strategies in a supportive, laid back environment. Come and share or simply sit back and listen. All are welcome and there is no cost to attend.

The GI Society is committed to improving the lives of individuals with GI and liver conditions by supporting research, advocating for appropriate patient access to health care, and promoting gastrointestinal and liver health. Read about inflammatory bowel disease on our website www.badgut.org.
